	Stainless steel, Anodised aluminium Aluminium 7075	Glass-reinforced Nylon	Galvanised Mild Steel	S/S 316 HDPE	

# EU Type Examination Certificate

Date: 2023/10/27

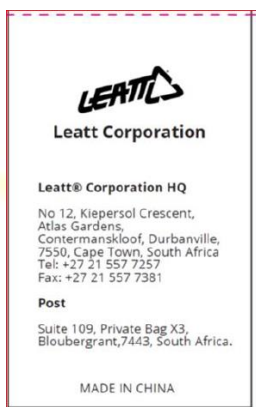

n. **525234301/OE**

Validity:  
2028/10/26

Technical Standard:	<b>me-int 088 rev.12</b> (incorporating also met. 074-00)	Based on partial application of: EN 13688:2013 + EN 1621-2:2014 (neck-brace)
Intended use:	preventive use for off-road motorbike or bicycle (downhill) activities - this neck-brace must always be properly fitted and tightened, and implemented by suitable additional motorcycling equipment (in particular, only in conjunction with a compatible full-face helmet).	
Size range:	This collar is available in different sizes: <b>XS=Junior + Small/Medium + Large/Extra-Large + 2XL</b> according to the individual height + "standard" chest girth (for more detailed explanation, check with the size-chart in the Users' Manual = Information Notice and hang-tag).	
Technical File:	<b>DC-17648/E</b>	
Test report:	<b>RCT n° 4213920/E</b>	
Functions and performance levels:	<p>To reduce the severity of traumas caused by impacts, the protectors provide limited protection against mechanical impact, including cervical compression and flexion injuries, in case of falls:</p> <p><u>Method</u>: "Kerbstone" impact testing at 50J with ref. to EN 1621-2 requirements (analogous method) - Obtained values of transmitted force (MAX – requirement: <b>≤ 18</b>) = <b>PASS</b>; all other test (among which: impact resistance of the quick release system, resistance to impact at 70°C/4 h, tensile strength, resistance to lateral displacement, ergonomics, information sheet: <b>PASS</b>.</p> <p><b>NOTE</b>: The protective functions also depend on the correct positioning/adjusting of the protector (in particular on a correct connection with the other protective devices, such as chest/back protectors and helmet) which is not part of this assessment.</p>	

## Marking:

MANUFACTURER'S BRAND & DETAILED CONTACTS:

printed on different stitched labels or stickers (declared not removable) (other infos like the size-range are on a hang-tag, or directly onto the P.P.E. with a Graphic /Tampo print) – it includes the following information:

- **CE Marking**;
- Trademark / Logo of the Manufacturer + co-branding HUSQVARNA ;
- The Model (identification name + codes) of the Brace is on the Brace itself as a Graphic/Tampo print and on stickers;
- Year of Manufacturing will be on the serial number sticker directly placed onto the neck-brace; "Made In" etc (see serial nr. sticker shown here-under);
- Cleaning instructions are in the information notice;
- Warning stickers.
